Includes: 8" Tool Rest, Adjustment Wrenches, Nylon Face Plate Bushing, Spur Center, Live Center, 3" Face Plate and Knockout Bars

- 12" Swing / 16" Between Centers**
Largest mini lathe in the industry. This increased capacity lets you do more while occupying less space.
- 12 Position Index Head**
Allows accurate pattern work to be performed on projects such as fluting, grooving, drilling and layout. It will also lock the spindle for accessory removal.
- Easy Access Speed Change**
Provides ample room to change speeds quickly
- Nylon Face Plate Washer**
Prevents accessories from sticking to the spindle; for easy removal
- Self Ejecting Tail Stock**
No need to use the knock-out bar to remove the center
- Convenient Handle**
Flip up handle makes mobility comfortable
- Tool Holder**
Store your live center, spur center and knockout bars for quick and easy access
